

Snow Camp

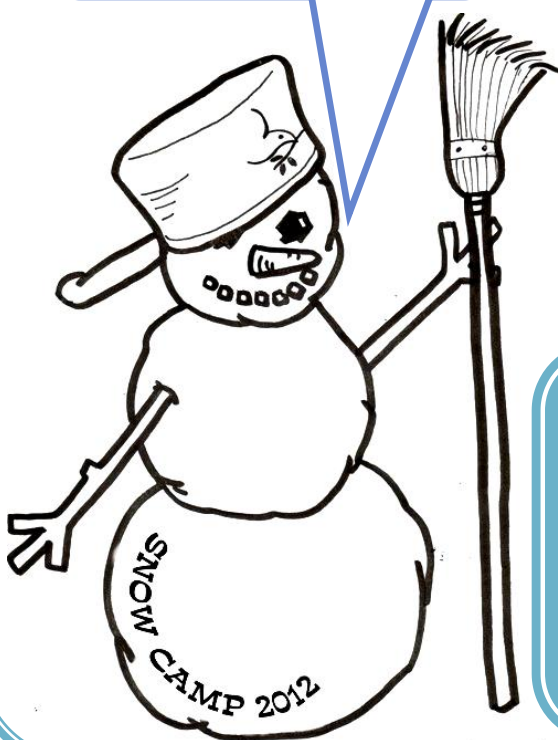

Food. Fellowship. Broomball.

2012!

Snow Camp at Camp Valaqua is back again! We hope to connect Alberta youth through two fun-filled weekends this winter. Your weekend will be jam packed with activities such as broomball, song, connecting with other teens, and of course food! This year our sessions will focus on "Peaceful Action" from the angle of social media as it has become a large part of today's society. We hope you can attend this fantastic winter getaway!
