★ Please note that volunteers are responsible for their children at all times.

We have found from experience that it is less than ideal to have small children (under age 6) accompany volunteers who are in the kitchen. Due to safety and sanitary reasons, children are not permitted in the kitchen. Volunteering in the kitchen, while fun, can be demanding at times (8 hrs/day is typical), making it difficult to both volunteer and also care for young children. Unfortunately we are not able to offer childcare at camp, but you are welcome to make your own childcare arrangements. Please contact the camp if you have any questions.
